

## **SWISS SHAPE now in the UK**

SWISS SHAPE is a proven health and lifestyle concept that has taken Switzerland by storm, and now is also available in the UK.

SWISS SHAPE's motto is Healthy, Fit and Trim in just 90 days, and SWISS SHAPE has delivered on that concept to over 100,000 satisfied Swiss clients.

The unique programmes of SWISS SHAPE are easy to follow in a busy lifestyle. Clients of SWISS SHAPE have found relief from a number of niggling "ills of modern civilization" and agree that they are healthier, fitter and trimmer than ever before.

SWISS SHAPE offers three phased programmes:

- GUT-FIT. A clean start: a gentle but thorough cleansing of the digestive system
- TRIM-FIT. A smart step: for weight correction and general well-being
- POWER-FIT. A powerful continuation: for the busy person who relies on stamina, presence and powers of concentration
- POWER-FIT X. A metabolic boost: for those who already eat well and follow a training regime, yet still need support in losing the last stubborn weight.

The SWISS SHAPE programmes make it easy for the nutrition-oriented consumer to improve their health in a natural manner. SWISS SHAPE programmes are available exclusively via registered SWISS SHAPE Unicity partners.

SWISS SHAPE's programmes are based exclusively on the natural and scientifically-tested products of Unicity. Unicity has over 100 years' experience and is one of the Top 500 privately-held businesses in the United States, and stands as an industry leader for both nutritional supplements and business development. Many of Unicity's products are listed in the prestigious Physician's Desk Reference for their proven properties.
